Small Contractor Boot Camp!

The Los Angeles Community College District's (LACCD) Small Contractor Boot Camp is a four-session program explicitly designed for small contractors to improve their competitive bidding capacity. Through a comprehensive curriculum, small contractors will learn more about the pre-qualification process for the BuildLACCD Program's Pre-Qualified Service Provider (PQSP) bench, PQSP contracts for projects ranging from \$25K - \$5M, how to bid for contracts, and how to execute BuildLACCD construction projects successfully.

Curriculum includes

- Qualifying for Pre-Qualified Service Provider Bench
- Bonding & Certification
- Access to Capital
- Estimating & Scheduling
- Safety
- Sustainability
- Labor Compliance
- Project Labor Agreement (PLA)
- Local Worker Hire Program

LACCD's \$14.9 billion building program seeks to modernize and renovate projects throughout its nine colleges. The Board of Trustees established a 30% Local, Small, Emerging, and Disabled Veteran (LSEDV) participation goal for all BuildLACCD contracts. This provides numerous opportunities for LSEDV businesses to participate in the program. The District also seeks and encourages minority, women and LGBTQ business participation.
