

Architecture Partnership Forum

Join us for the BuildLACCD Architecture Partnership Forum, a networking event connecting pre-qualified architectural firms with potential subconsultants for collaboration on upcoming projects within the Los Angeles Community College District's (LACCD) \$14.9 Billion Bond Program, BuildLACCD.

Why Attend?

- Learn about design opportunities in infrastructure, athletics, building renewals, and other non-bond projects across LACCD's nine colleges.
- Explore ways to participate in LACCD's \$14.9 billion modernization and renovation program.
- Network with industry professionals and potential partners.
- Discover how Local, Small, Emerging, and Disabled Veteran (LSEDEV) businesses can benefit from LACCD's 30% participation goal in all BuildLACCD contracts.
