

Spring 2025 Small Contractor Boot Camp

The Los Angeles Community College District's (LACCD) Small Contractor Boot Camp is a four-session program explicitly designed for small contractors to improve their competitive bidding capacity. Through a comprehensive curriculum, small contractors will learn more about the pre-qualification process for the BuildLACCD Program's Pre-Qualified Service Provider (PQSP) bench, for projects ranging from \$25K - \$5M.

LACCD's \$14.9 billion building program seeks to modernize and renovate projects throughout its nine colleges. The Board of Trustees established a 30% Local, Small, Emerging, and Disabled Veteran (LSEDEV) participation goal for all BuildLACCD contracts. This provides numerous opportunities for LSEDEV businesses to participate in the program.
