

BuildLACCD

ARCHITECTURE PARTNERSHIP FORUM

Join us for a networking event where you can connect with pre-qualified architectural firms seeking sub-consultant partners for upcoming projects across the Los Angeles Community College District's (LACCD) \$14.9 Billion Bond Program, BuildLACCD.

THE OPPORTUNITY

- Learn about design opportunities in infrastructure, athletics, building renewals, and other non-bond projects across LACCD's nine colleges.
- Discover how Local, Small, Emerging, and Disabled Veteran (LSEDV) businesses can benefit from LACCD's 30% participation goal on all BuildLACCD contracts.
- Learn about the Architectural/Engineering Professional Service Bench
